

Seven Guitars

It is the spring of 1948. In the still cool evenings of Pittsburgh's Hill district, familiar sounds fill the air. A rooster crows. Screen doors slam. The laughter of friends gathered for a backyard card game rises just above the wail of a mother who has lost her son. And there's the sound of the blues, played and sung by young men and women with little more than a guitar in their hands and a dream in their hearts. August Wilson's *Seven Guitars* is the sixth chapter in his continuing theatrical saga that explores the hope, heartbreak, and heritage of the African-American experience in the twentieth century. The story follows a small group of friends who gather following the untimely death of Floyd Schoolboy Barton, a local blues guitarist on the edge of stardom. Together, they reminisce about his short life and discover the unspoken passions and undying spirit that live within each of them.

In Pittsburgh's Hill District in 1948, an aspiring blues musician returns home for the woman he loves, an ailing old man hopes for an heir to carry on his name, Jean Hyppolite as Floyd Schoolboy Barton is confronted by Stephon Duncans Louise in M Ensembles *Seven Guitars*.
