

# History of the Great Plague in London; A Journal of the Plague Year Being Observations or Memorials of the Most Remarkable Occurrences, as Well Public

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1895 edition. Excerpt: ... so kept, so far carried is on among us as it is. Another plague year would reconcile all these differences; a close conversing with death, or with diseases that threaten death, would scum off the gall from our tempers, remove the animosities among us, and bring us to see with differing eyes, than those which 20 we looked on things with before. As the people who had been used to join with the Church, were reconciled at this time with the admitting the Dissenters to preach to them; so the Dissenters, who, with an uncommon prejudice, had broken off from the communion of the Church 25 of England, were now content to come to the parish churches, and to conform to the worship which they did not approve of before; but as the terror of the infection abated, those things all returned again to their less desirable channel, and to the course they were in before. 30 I mention this but historically, I have no mind to enter into arguments to move either, or both sides, to a more charitable compliance one with another; I do not see that it is probable such a discourse would be either suitable or successful; the breaches seem rather to widen, and tend to a widening farther, than to closing; and who am I, that I should think myself able to influence either one side or other? But this I may repeat again, that it is evident 5 death will reconcile us all; on the other side the grave we shall be all brethren again. In heaven, whither I hope we may come from all parties and persuasions, we shall find neither prejudice nor scruple; there we shall be of one principle and of one opinion. Why we cannot be con 10 tent to go hand in hand to the place where we shall join heart and hand without the least

hesitation, and with the most complete  
harmony and affection--I...

A journal of the plague year : being observations or memorials of the most as well publick as private, which happened in London during the last great visitation The history of the great plague in London in the year 1665, containing observations and memorials of the most remarkable occurrences, both public and private,A journal of the plague year, being observations or memorials of the most remarkable occurrences, as well publick as private, which happened in London during the last great visitation in 1665 The history of the great plague in London, in the year 1665 : containing, observations and memorials of the most remarkableThe bubonic plague that struck Europe in 1665 in London is no doubt one of histories worst tragedies. being observations or memorials of the most remarkable occurrences, as well public as private, which happened in ..
