

Deanna Oscar Paranormal Mystery Book 2 Deanna Oscar and friends are back again--having survived Hurricane Katrina, what could go wrong now? A murder, a visit from her family, and a fake psychic trying to manipulate the vulnerable citizens of New Orleans, to name a few. Add a nosy reporter who pits De against the imposter to solve the murder and Des life is as crazy as ever. She does her best to avoid publicity while trying to solve the murder and keep her family out of danger. The family wants her back in Chicago where its safe. De is determined to set down roots in the Big Easy. Boring and average just isnt her style! NOTE: This book was previously published as Im Okay, Youre A Fake. It has been updated and revised.
