

Aspen Snowmass Trails : A Hiking Trail Guide

The Aspen and Snowmass Village area hiking trails access a wide variety of lakes, mountain passes, stream valleys, forests and high country in a beautiful mountainous region. This second edition of Aspen's best selling hiking trail guide describes the 30 most popular hikes, which vary in length from 1 hour to 5 days and lie mostly within Wilderness boundaries. The section on each trail contains the following information: Start/finish locations and elevation; Roundtrip hiking time; Roundtrip distance; Maps (associated with the route); Wilderness designation; General comments; Directions to trailhead; Trail Route. Also included are distance/elevation charts for each trail, and a section of Wilderness ethics and regulations.

YOUR GUIDE TO EXPLORING SNOWMASS Directly accessed from the Village, hikers can explore over 80 miles of trails . This is quite possibly one of the most iconic hikes in the nation and certainly in the Aspen Snowmass area, this is a title, Aspen-Snowmass Trails: A Hiking Trail Guide. Author, Warren Ohlrich.
