

Cruise Port: Barcelona (Tour the Cruise Ports)

This book is a brief, but comprehensive overview of Barcelona and nearby region for cruise ship passengers and others. Barcelona is a very busy cruise port with many thousands of cruise passengers passing through each year. Most simply pass through the city on their way to the cruise ships to begin a cruise, or at the end of a cruise without stopping. However, Barcelona is well worth a visit and offers many attractions. Tour the Cruise Port: Barcelona and other books in this series are based on the hundreds of destination lectures that I have presented on cruise ships to destinations all over the world. The purpose of these lectures is to add value to the experience of the passengers at the various ports. These lectures are comprehensive overviews of the geography, history, culture, points of interest, and general information about the ports, countries, and regions.
