

Rapture (Shadowdwellers)

Magnus is a man of contradictions—a spiritual leader in a warrior's body. To him, laws are for enforcing and visions must be followed—even if that means freeing a beautiful slave and making her his reluctant handmaiden. Betrayed once before, Magnus can barely bring himself to trust another woman. Yet Daenairas fiery innocence is drawing them both into a reckless inferno of desire. Daenaira grew up hearing tales of a fearsome priest who seemed more myth than reality. But Magnus is very real—every inch of him—and so is the treachery surrounding them. Beneath Sanctuary's calm surface, an enemy is scheming to unleash havoc on the Shadowdwellers, unless Magnus trusts in a union ordained by fate, and sealed by unending bliss.
