

Sweet western novelette. When Cade Lawson sent for his mail order bride, Maggie OMalley, he didnt know what to expect. He and his twin sons needed a woman in their lives, the babes a mother to take the place of their dead mamma, and he needed a woman to love. He prayed Maggie was the answer to his prayers and that this holiday season would be a happy one for them all. Maggie was anxious about becoming a mail order bride, marrying a man shed never met, but once she laid eyes on Cade and his twin sons, she knew she found the husband and family she prayed for. She just hoped her new husband didnt mind her being headstrong and bossy, a trait her pa always told her a man wouldnt take kindly to.
