

Storm (The Deverells Book 2)

Hes nice. Hes the eldest son of Victorian Englands most notorious rogue, but Storm Deverell just wants to keep life simple. Unlike the other members of his wild tribe, he steers clear of scandal and leads an honest, hard-working existence on a Cornish farm. Of course, it hasnt always been that way. In the days of youthful rebellion, that hot Deverell temper earned Storm a bad reputation. But now he keeps his anger tamed so well nobody would ever know its still there. All things considered, Storm has everything he wants, whenever he wants it, in his uncomplicated world. And even if life is a little quiet sometimes, at least its predictable. Until a strange woman arrives to shatter his unchallenged bachelor tranquility. Stubborn, proudly independent and apparently immune to his infamous charm, Katherine Kelly is a disruption, a sharp-tongued, haughty madam, and the last thing he needs moving in as his neighbor. One touch of her smooth hands tells him she knows nothing about managing a farm. One glance at her rose-embroidered stockings warns him shell cause a commotion. Good thing hes not looking for trouble these days. Shes naughty. Escaping a seedy, gas-lit world of deception and villainy with a spinet full of stolen banknotes and snuff boxes, Kate is seeking a new beginning and a better future for her son. Shes come a long way to find sanctuary and fresh air, so that frustratingly calm, self-satisfied, straight-talking farmer in the next valley will not spoil it for her. Clearly hes ruled the roost around here far too long, a local legend in his own mind. So what if Deverell believes a woman cant survive without a man? Surviving is something this single mother knows how to do. One touch of his rough hands tells her hes dangerous. One glance into his blue eyes warns her hell be a distraction. Good thing shes not looking for trouble these days. But these two headstrong, accidental

neighbors will soon learn that trouble can find them without being sought. Because whats nice can also be naughty, and whats naughty.... is usually a Deverell.
