**** Security, book four of the Jack Randall series, is now available. ****

When a prominent lawyer is shot while waiting at a suburban stop sign it sets off a nation-wide manhunt for an elusive killer. Special Agent Jack Randall of the FBI finds himself appointed to track down and stop the shooter. Not by his superiors, but by the killer himself. As more bodies fall the shooter takes his message to the press, earning the support of the public with his choice of targets and confounding the FBI at every turn. From the desert of Nevada to the urban jungle of New York City, Jack and his team follow the trail of bodies and haunting messages left behind by the killer. With the pressure to find him mounting on Jack, the assassins crimes grow bolder, and his message more sinister and closer to home. It becomes clear to Jack that in order to find the shooter, he may have to look inside his own past, and become the man he was years ago. CLOSURE is book 1 of the popular Jack Randall series. You can continue to follow Jack and his team in the novels PESTILENCE and SCARCITY, as well as TIME, a collection of short stories following each of the main characters in the first three books. Look for SECURITY, book 4 of the series, scheduled for publication in October of 2014. Randall Wood is the author of the Popular Jack Randall series. Before becoming a novelist Mr. Wood spent his years in several occupations ranging from Army paratrooper, to Teacher, to Flight Paramedic. Finding time between missions and 911 calls, he would pen short stories about his co-workers featuring the odd locations and strange situations they were called to. Never quite finding his niche, he eventually listened to the little voice in his head and devoted his time to writing full time. He currently resides in Southwest Florida with his wife Jessica, their three children, one cat, and a soon to arrive but yet to be named Great Dane puppy.
