

Blade to the Heat (Critical Edition)

For 7 males and 1 female. Boxer Pedro Quinn, an introverted loner, wins a surprise split-decision against the reigning middle-weight champion, Mantequilla Decima. Used to fancy clothes, adoring fans and compliant women, Mantequilla grows embittered by the loss of his title. Worse, he starts hearing one of the most common insults of the Latino community used against him for the first time: the implication that he's a queer and that's why he lost.
