

Two volumes - Part 1 (San Diego to Australia) and Part 2 (Australia to Oman). No one expected these thirty-something professionals to give up their successful careers to pilot their own small boat around the world, especially because they started with almost no boating experience. Instead of the expected sailboat, they chose a 43 foot trawler powerboat, which many believed was incapable of crossing oceans. Most people expected them to fail. But they surprised the skeptics when they successfully circumnavigated the globe in two years, visiting 110 places along the way in thirty-four countries. Part 1 follows Christi and Eric as they travel to eighteen exotic South Pacific islands that few people ever see. Part 2 journals their travels to 21 fascinating destinations, ranging from popular to remote. You will feel what it is like to be on long sea passages, experience the local food and cultures and participate in unique tours and adventures. Learn about the challenges, rewards, and surprises that come with both traveling and boating.
