

Evidence: Alex Delaware 24

Early one morning a foreman shows up at the building site of a mega-mansion. Proceeding up unfinished plank steps, he arrives at the master bedroom. There, lying on a blanket, are a man and a woman, stabbed and bludgeoned to death. Who are the lovers? Why have they chosen a construction site for their late-night tryst. Is the double murder simply a horrific example of wrong-place, wrong-time? Or were the victims stalked? And will the outrage be repeated? Alex and Milo are called in but, as they struggle to make their way through the alternative universe that is the domain of the impossibly rich, they discover a scheme rooted in deception and evil beyond even their imaginations.
