

Honorary Citizen

Born of the peasant class in a small village in the Ukraine, seventeen-year-old Yuri Braun is sponsored at the Kiev Polytechnic Institute by a wealthy nobleman. Upon his arrival in the city he witnesses firsthand the poverty, despair and unrest of pre-revolutionary Russia. Torn between trying to better himself and seeking ways to relieve the suffering of his fellow countrymen, he is drawn into the illegal activities of the Revolutionary Ukrainian Party by a mysterious dark-haired temptress. He soon finds himself hopelessly entangled in a web of intrigue, at odds with a government desperately seeking to maintain order in a country rife with discontent. Unwilling to turn his back on the poor and underprivileged, yet uncompromising in his refusal to participate in acts of violence, he finds himself in constant conflict with the party, the czarist regime and his own conscience. Each decision he makes seems to cast him deeper into an abyss of trouble and uncertainty. Suspected in the murder of an inspector of the Ministry of Internal Affairs, Yuri is forced to evade the long arm of the government in order to survive. Surrounded by loyal friends and those who admire his noble character and compassion for others, he must use every ounce of his courage and wit to escape the dangers that threaten his life and his future.
