

Demon Blood: Enlightenment (Demon Blood, Book 1)

Hell is rising... Following the gruesome murder of his wife and unborn child, a demon hunter with a dangerous secret struggles to prevent evil from invading our world. A recent widow travels cross-country, hoping to find a man who may know the truth about her husband's mysterious suicide. Two brothers are left homeless when demonic spirits ransack their quiet country home, setting it ablaze, violently killing their parents, and forcing them into an enduring pursuit towards an awful truth. A mother's world is shattered when she realizes her daughter's soul has been taken hostage by Hell's most dangerous villain. And although they don't know it, their paths are connected. Between Heaven and Hell... Stands Humanity. Demon Blood: Enlightenment placed in the top ten of Journalstones 2012 Horror Novel Contest.
