From hatred, Love. From many, One. Book 2 in the Daughter of Time trilogy: A love story and sci-fi epic about the beautiful and terrible destiny of profoundly star-crossed lovers with a galaxy's fate in their hands. A work of literary fiction that transcends its genre. Read this novel. Immediately.

-Portland Book Review Stebbins's trilogy remains both fascinating and unpredictable. WRITER possesses all of the style, elegance, and tension that made READER gripping. Those who loved the first book will find themselves enraptured by the second, which secures a ready audience for what will surely be a stunning conclusion.

-ForeWord Reviews Deeply thoughtful and exciting, warping the expectations of the genre. It stays fun while plumbing unexpected depths, and reminds me of Dan Simmons' Hyperion and Endymion, though more approachable. This is the second book, but if you missed Reader, don't worry about being left behind with WRITER; it is immersive in the way of the best sci-fi, sucking you in and pulling you along. If you enjoy science fiction at all, take a look at WRITER: it's worth the read.

-San Francisco Book Review Anticipate trips through time and space, wrenching separations and confrontations that will test the lovers' bond to each other and to their world...be prepared for another epic story that turns on a dime and leaves its ending open for yet more added attractions later.
