Cursed by Fire: For centuries, Dethan has been trapped in a fiery inferno for defying the gods and snatching the power of immortality. Condemned to have his battle-hardened body licked by flames only to regenerate and be consumed all over again, Dethan has lost all hope-until the Goddess of Conflict appears. She will release him from torment-if hell use his power and strength as a warrior to raise an army and defeat a fierce enemy faction of gods... . Cursed by Ice: As punishment for plotting with his brothers to steal immortality, Garreth is suffering a freezing torment until the end of time. Again and again, his fierce fighters physique is frozen into a chiseled ice sculpture, his heart hardening like a diamond in his chest-only to thaw and resume the chilling torture. Until, like his older brother Dethan, he is offered a reprieve from a goddess-in exchange for his allegiance in a celestial civil war. Garreth lives to fight and fights to live. But while laying siege to an embattled city, he finds another reason to go on-a beautiful warrior woman named Sarielle, who commands a mythic beast through a mysterious and powerful bond... Bound by Sin: After being chained to a star to burn endlessly as punishment for stealing immortality from the gods, Jaykun has been unshackled to wage war alongside his brothers. But his freedom comes with a price: each night Jaykun must still suffer-his body burning from the inside out. One early morning, recovering from his torment, he encounters a beautiful stranger on the beach. Naked from her midnight-black hair to her sandy toes, she approaches him with starry-eyed innocence and the unmistakably full body of a woman... Contains mature themes.
