

Iron Kingdoms Excursions: Season One, Volume Three

Take a short journey to adventure with Iron Kingdoms Excursions! Each volume in this series features three brief tales about the people, creatures, and machines of Immoren. Explore the Iron Kingdoms from the stinking marsh around Scarleforth Lake to the flame-blasted battlegrounds of the Protectorate of Menoth for only pocket change. In Iron Kingdoms Excursions: Season One, Volume Three: Shoulder the burden of blasphemous magic along with a Vassal of Menoth in Weapons of the Enemy by Orrin Grey. Discover that actions are clearer than words when the trollkin of the United Kriels face threatening strangers in Tongue-Tied by Aeryn Rudel. Learn how the reclusive swamp gobbers survive among the bigger and nastier denizens of the marsh in Mouths to Feed by Howard Tayler.
