

## Kill em With Kindness

Kill em With Kindness focuses on two vivid characters, Darwin Kindness, the mentor-supervisor, and his protege-employee; Louis Cantrell, the head bell captain at Volcano House, an isolated lodge over-looking Kilauea an active volcano on the Big Island of Hawaii. A rainbow of characters unfolds to create an imaginative story of mystery mixed with adventure romance and fantasy. The lodge runs smoothly under the cheery demeanor of its curator Darwin Kindness. The situation changes somewhat when Darwin informs Louis that the lodge is about to exclusively house a special group of guests who claim to hail from Manitoba, Canada. The guests turn out to be a mysterious ?? macabre group.

Once checked-in, Darwin shocks Louis by telling him about the nature of his new guests. According to Darwin the lot claim to be immortal, plus they take credit for every affliction known to man! He reveals even more esoteric information. Darwin wants and expects Louis to understand that he too belongs to the evil contingent. Darwin unfolds what seems like an inconceivable plan, that once achieved, will have solved all of mankind's future problems. Darwin Kindness wants Louis to play a major role in the scheme. Louis listens curiously and skeptically to Darwin's plan. Only his loyalty and respect for Darwin forces him to listen. Darwin reacts to Louis's skepticism in a consolatory manner, but he still remains undaunted in his efforts to recruit his protege. Darwin's didactic insistence that Louis's recruitment is essential to fulfill the plan. In addition, Darwin enlists the help of the famed queen of manifestation, none other than the fabled fire-goddess Pele. The story is narrated in the first person by the story's protagonist Louis Cantrell. The super ego is evident in this piece and its somewhat philosophical while unfolding the story. The emotional side of the KILL EM WITH KINDNESS

deepens, magnifying various attributes of character including; trust, loyalty, love, devotion and views of life and death. These, mixed with Hawaiian folklore, an active volcano, a fire goddess, good and evil tugging with each other, a beautiful Hawaiian maiden, a cast of sinister characters and the novels two main characters Darwin and Louis. KILL EM WITH KINDNESS evolves into a mystical adventure with wide spread audience appeal from the young to the old, from men?? > to women, and for those who are and who possess a fertile mind.
