

West Of Java

When Malachi Armstrong leaves Manila bound for Batavia in his topsail schooner he has no idea that WWII is going to start the next day. He and his crew face Moro pirates as well as Japanese fighter planes as they try to find a safe place to sit out the war. Hiding the ship in a small lagoon in southern Borneo they assemble a guerrilla army of Dayak headhunters to fight the Japanese on the island. High adventure on the high seas.

7 reviews of West of Java Coffee House The girls who work here are the sweetest gals ever. I dont go very often but when I do they are very kind and seem to
