

Louisiana Bird Watching: A Year-Round Guide

Like gardening, bird watching is a fast-growing regional hobby. Now, Cool Springs Press brings its proven method of successful state-specific gardening approach to bird watching guides. In collaboration with Bird Watchers Digest, these bird watching guides provide accessible, credible advice. The birds that frequent the backyards of Louisiana differ from the birds that frequent the backyards of Tennessee. In addition to unique descriptions, each bird profile includes a range map to identify each birds North American distribution. One hundred birds are profiled, each with a color photograph, to ensure accurate identification. A seasonal section informs the reader of: Migrating birds that can be seen during that season The foods and plants that can attract those birds Where to go to view year-round and migrating birds Cool Springs Press partner, Bird Watchers Digest, has sold more than 4 million copies of their booklets on bird species, bird habitat, feeding, and other related topics. This series of books from Cool Springs Press targets the beginning bird watchers for ten states.
