

## Sams Chance: And How He Improved It (Classic Reprint)

Excerpt from Sams Chance: And How He Improved It Sams Chance is a sequel to the Young Outlaw, and is designed to illustrate the gradual steps by which that young man was induced to give up his bad habits, and deserve that prosperity which he finally attains. The writer confesses to have experienced some embarrassment in writing this story. The story writer always has at command expedients by which the frowns of fortune may be turned into sunshine, and this without violating probability, or, at any rate, possibility; for the careers of many of our most eminent and successful men attest that truth is oftentimes stranger than fiction. But to cure a boy of radical faults is almost as difficult in fiction as in real life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
