

A delightful tale for adults and children alike, BIG- ENOUGH is the story of a cowboy and a cow horse, born on the same day, who together grow big-enough for most anything. Young Billy was a born cowboy - unfortunately, his parents have other aspirations for him and send him off to be educated and turned into something else. But one day Billy takes his horse, Big-Enough, and departs to pursue his true destiny, finding adventure, adversity, and, ultimately, manhood. BIG- ENOUGH is a coming-of-age-in-the-West novel of the highest quality, capturing the spirit of a young cowboy, his best horse, and the American West itself. It combines the lives of a boy and a horse as inseparably and convincingly as it presents the American West and an absorbing story. (The Nation)
