

Tainted Love: The Complete Alpha Billionaire Romance Series Box Set

Im going to torture you with pleasure. Show you what a big mistake you made. He wasnt just anybody. He was billionaire Jared Northrup, my ex. I knew what hed done. Why we broke up 3 years ago. But seeing him now forced me to forget the pain hed put he through. The way he looked at me was simply irresistible and I realized right away that I wasnt over him. Not even close. I tried to be strong. I really did; but his temptation won me over and I couldnt resist jumping into his bed. But I wasnt the only one he had his sights set on. Or at least that was what I thought. Once a playboy, always a playboy. And if it came down to having him choose me or her, you better believe I wasnt going to be the one going home alone. Not this time around. I was in it to win it. Mature audience only. 18+
