

The Blossom Sisters

With family there's always one more chance. #1 New York Times bestselling author Fern Michaels explores the enduring bonds of family as one man loses everything only to find the freedom to create a bold new life. Gus Hollister owes all his success to his feisty grandmother, Rose, and her two sisters, Iris and Violet. They raised him, sent him to the best schools, and helped him start his own accounting business. Rose even bought the house Gus lives in with his wife, Elaine. Now, Gus stands to lose everything: his home, his car, and his business. Worse, he's alienated his beloved grandma, who tried to warn him about Elaine's greedy ways. Heartsick and remorseful, Gus returns to Rose's Virginia farmhouse. But it won't be easy to make amends. Yet family and forgiveness go hand in hand, and Gus isn't giving up. Because no matter how daunting starting over can be, the results can surpass your wildest expectations—especially when the Blossom Sisters are in your corner. Michaels' latest is sure to capture the hearts of its readers, even while tickling their funny bones. Booklist
