

The Brontës were a nineteenth-century literary family associated with the village of Haworth in the West Riding of Yorkshire, England. The sisters, Charlotte (born 21 April 1816, in Thornton near Bradford), Emily (born 30 July 1818 in Thornton), and Anne (born 17 January 1820 in Thornton), are well known as poets and novelists. They originally published their poems and novels under masculine pseudonyms, following the custom of the times practised by female writers. Their stories immediately attracted attention, although not always the best, for their passion and originality. Charlottes Jane Eyre was the first to know success, while Emilys Wuthering Heights, Annes The Tenant of Wildfell Hall and other works were later to be accepted as masterpieces of literature.
