

Joe (The Joe Knowe Series Book 1)

A psychopath planning a massacre. A stuttering young girl with disturbing visions of the future. Six ordinary people who will all be in the line of fire come the day of the disaster. Joe Knowe is not a boy. She is twenty-one years old, and she sees things before they happen; bad things, and the worst thing she has ever faced is just around the corner. A madman is going to shoot up the college Joe attends. The trouble is, her gift is stingy on the details she needs to divert the impending tragedy. Now, Joe has four days to figure out the mystery and save the lives of many. From the author of *The Alexa Montgomery Saga* comes a tense tale that glimpses the mind of a genuine psychopath, follows an unlikely hero, and explores real-life terror in a race against time that will leave the reader breathless.
