

# The Devils Mistress: The Diary of Eva Braun The woman who lived and died with Hitler

Based on extensive research and supported by a factual armature, this novel of evil takes the reader into the hidden erotic life of Hitler and--as she was affectionately nicknamed--Fraulein Effie. Beyond most nonfiction accounts of that place and period, the author has created a personal life for Hitler and his sycophants to give the reader the look and feel of what it must have been like to dwell in such perdition
