

The Whole Day Through

When 40-something Laura Lewis is obliged to abandon a life of stylish independence in Paris to care for her elderly mother it seems all romantic opportunities have gone up in smoke. Then she runs into Ben, the great love of her student days - and, as she only now dares admit, the emotional touchstone against which she has judged every man since. Are they brave enough to take a second chance at the lasting happiness fate has offered them?

The Whole Day Through Lyrics: (*talking*) / Im just trying to grab everything in my reach, you know / Do my thang, Im just trying to let you know what Im going
