

# Amsterdam Travel Companion

This is the best Amsterdam travel guide written exclusively for cannabis smokers and non-smokers who wish to learn more about the amazing coffeeshop culture of Holland. Sound advice is given in chapters for finding the best marijuana friendly coffeeshops, safely touring the Amsterdam Red Light District and the use of magic mushrooms (sold legally in shops all over the city). Along with finding the best marijuana and hashish in the world, the companion also lists nearly one hundred websites to all of the best attractions, restaurants, bars, clubs and live music venues Amsterdam has to offer! This is the third edition and is updated yearly. There are many good Amsterdam travel guidebooks but this is the most comprehensive book written from the marijuana smokers point of view. It also contains a lot of useful information on everything that is travel related and a great all-around Amsterdam city guide.
