HONORABLE MENTION of The 2014 London Book Festival Annual Competition!!! 3rd Place of The Drunken Druids International Book Award 2014!!! Riveting New Adult SUSPENSE THRILLER, Profoundly Moving and Dark REALISTIC FICTION Inspired by real life events, Twisted is a fascinating story of vulnerability, courage and the art of making a living in the sex trade... A gripping and mature story deftly woven by Lola Smirnova, Twisted is the kind of suspense novel that will linger in the mind and imagination long after it is finished and set back upon the shelf... Twisted introduces an extraordinarily gifted author to an appreciative readership looking eagerly toward her next literary effort. - Midwest Book Review * * * Back in the 90s, the corrupt post-Soviet Ukraine with its faltering economy, is thrown into a devastating depression. Times are hard. Opportunities are scarce. Editorial Reviews: Charged with some disturbing sexual scenes (including rape), the book manages a steady, readable flow as it shines a light on the multifaceted world of the European sex trade.? - Kirkus Reviews Smirnova takes us on a philosophical and pseudo-psychological pilgrimage through the sexual underworld as Julia, in first person narrative, describes her struggling introduction into a profession where she can ply the only skills currently marketable. - 5 star review from Readers Favorite I highly recommend Twisted to open-minded readers who aren't afraid of a little blood, sweat and semen. Its sure to shock and surprise you, with both its storyline and its literary value. - 5 star review from Red City Review In the meantime, Smirnova hopes that Twisted will raise awareness to the problems of the sex industry Kudos to Smirnova for an outstanding job achieving that goal! - 5 star review from Pacific Book Review While the subject matter does not make for a light read, a breezy writing style and Julias willingness to fully and shamelessly lift the veil on her controversial lifestyle makes an irresistible combination.? - IndieReader The book is a dark, straight-forward tale of how a young woman becomes a prostitute. Portland Book Review TWISTED makes FIFTY SHADES OF GREY look like two little kids having a tea party while pretending to be married. - The Armchair Librarian It is up front and direct; Smirnova thankfully avoids the guileless euphemism that writers with less comfort about sex and sex work use in their sex scenes. It also explores the business with a sensitivity and respect though not approval that is rare. - Foreword Clarion Reviews And yet it is through the dark lens of realism that Twisted gains its humanity. Theres never a moment when we aren't invested in Julias plight - Best Thrillers Book Review
