

Uncle Scrooge #352 (Walt Disney's Uncle Scrooge) (No. 353)

In *Island of Golden Geese*, Scrooge finds a genuine golden egg among the goose eggs he's bought at the market. The search for more leads him to Featherbrain Island, where geeky landlady Fannie Featherbrain considers gold more trash than treasure. In *Say Uncle*, while Scrooge and Donald go on a business trip, Fethry babysits Huey, Dewey and Louie... with the help of a guidebook called *How to Cope With Children!* Just in time for Easter, *The Great Egg Hunt* finds Scrooge trying to save rare vulture eggs from a desolate mountain. In *Magics Missin Magica*, the evil sorceress doesn't seem to be in town, but Scrooge is paranoid about her anyway. In *The Bunny Song*, Donald is working at Scrooge's costume factory... and accidentally makes ten thousand bunny suits too many.
