

## Begonia Brown: A Philadelphia Story

Begonia's carefree world has been turned upside down. Forced to become the head of her household she has to trade her paintbrush in for a switchblade, and her love of art into a love affair with the hood. Lying, stealing, and turning tricks, Begonia will do any and everything she can to protect her sisters from the ugliness of the world. However, it just isn't enough... When her younger sister Violet, desperate to escape the hell her life has become is seduced by an up and coming Corner boy, and their baby sister Daisy is riddled with disease that could be fatal if not cared for, Begonia is caught between the hard knocks of the streets and the nightmare of her home life. From the critically acclaimed author of Strawberry Mansion comes the tale of Begonia Brown. Raised in the unforgiving streets of North Philadelphia, Begonia Brown is undoubtedly a product of her environment, young, ruthless, and criminally minded.
