

# Weird Florida

Florida is renowned for sun, surf, sand and senior citizens, and is a favourite holiday destination for more than a million Brits each year. But it is also one of the best places to chart your weirdest travel destinations. Charlie Carlson, a tenth-generation Floridian, has travelled the length of Florida looking for the odd and the offbeat, and he found them everywhere, from the Skunk Ape to the Devils Chair of Cassadaga, from the She-Man of the Caloosahatchee River to the Wizard of Central Florida. This latest addition to the Weird US series is packed with info about the Sunshine State that they don't include in the regular guidebooks. Venture beyond Disney World, if you dare...
