From #1 international bestselling author Ken Follett, the gripping thriller Whiteout... Like no other suspense author in his genre, Follett reinvents the thriller with each new novel. But nothing matches the intricate, knife-edge drama of Whiteout... A missing canister of a deadly virus. A lab technician bleeding from the eyes. Toni Gallo, the security director of a Scottish medical research firm, knows she has problems, but she has no idea of the nightmare to come. As a Christmas Eve blizzard whips out of the north, several people, Toni among them, converge on a remote family house. All have something to gain or lose from the drug developed to fight the virus. As the storm worsens, the emotional sparks—jealousies, distrust, sexual attraction, rivalries—crackle; desperate secrets are revealed; hidden traitors and unexpected heroes emerge. Filled with startling twists at every turn, Whiteout rockets Follett into a class by himself. From the Paperback edition.
